

TOUCHPOINT CLEANING FOR A SAFE WORKPLACE

KITCHEN

At the time of community transmission you may wish for your premises to be disinfected more often. Here are some things you can do to keep you premises safe:

1. Have a rule that no-one enters the premises without using hand sanitiser
2. Disinfect all touchpoints daily with a TGA approved 2 in 1 disinfectant
3. Keep personal items like sunglasses, phones and keys off shared areas

- 1 DOOR HANDLES
- 2 DOOR PLATES
- 3 LIGHT SWITCHES
- 4 TAPS
- 5 FRIDGE HANDLE
- 6 MICROWAVE BUTTONS
- 7 KETTLE HANDLE
- 8 TEA/COFFEE/SUGAR CANISTERS

WE HAVE A DEDICATED COVID-19 TEAM RESPONSE TEAM IN THE CASE THAT A POSITIVE COVID-19 OUTBREAK OCCURS IN YOUR WORKPLACE
